Informed Consent for General Dentistry

1. Examinations and X-rays

I understand that the initial visit may require radiographs in order to complete the examination, diagnosis, and treatment plan.

Initial _____

2. Drugs, Medication, and Sedation

I have been informed and understand that antibodies, analgesics and other medications can cause allergic reactions such as redness and swelling of tissues, pain, itching, vomiting, and/or anaphylactic shock (severe allergic reaction). I have informed the Dentist of any known allergies. Some anesthetic, drugs, or medications may cause drowsiness, lack of awareness and coordination which can be increased by the use of alcohol or other drugs. I understand and fully agree not to operate any vehicle or hazardous device for at least 12 hours or until fully recovered from the effects of the medications that may have been prescribed to me for my dental care. I understand that failure to take medications prescribed for me in the manner indicated by the Dentist may offer risks-- which may include continued/aggravated infection, or pain. I understand that antibiotics can reduce the effectiveness of oral contraceptives (birth control pills).

Initial _____

3. Changes in Treatment Plan

I understand that during treatment, it may be necessary to change or add procedures because of conditions found while working on the teeth that were not discovered during examination. I give my permission to the Dentist to make any/all changes and additions as necessary and compose a new proposed Treatment Plan. I understand that I must give signed consent to any treatment plans the Dentist presents as this demonstrates that each new treatment plan has been presented and explained to me.

Initial _____

4. Temporomandibular Joint Dysfunction (TMD)

I understand that popping, clicking, locking and pain can intensify or develop in the joint of the lower jaw (near the ear) subsequent to routine dental treatment wherein the mouth is held in the open position. Although symptoms of TMD associated with dental treatment are usually transitory in nature and well tolerated by most patients, I understand that should the need for treatment arise, then I will be referred to a specialist for treatment, the cost of which is my responsibility.

Initial _____

5. Dental Insurance Benefits

I understand that my insurance may provide only the minimum standard of care and that all remaining balance is my responsibility.

Initial _____

I understand that dentistry is not an exact science and that therefore reputable practitioners cannot guarantee results. I acknowledge that no guarantee or assurance has been made by anyone regarding the dental treatment I have requested and authorized. I understand that each Dentist is an individual practitioner and is individually responsible for the dental care rendered to me. I also understand that no other Dentist or corporate entity, other than the treating dentist, is responsible for my dental treatment. I understand that the Dentist and his staff will give me the maximum dental improvement that they can give me at every visit.
